

The International Conference on Materials Science, Mechanical and Automotive Engineerings and Technology in Cappadocia / TURKEY (IMSMATEC 2019)

The conference secondly organized by Nevsehir Haci Bektas Veli University will be held **three-day in Cappadocia, Nevsehir** Turkey during June 21st – 23rd, 2019. The IMSMATEC 2019 aims at presenting current researches being carried out in the areas of Materials Engineering, Mechanical Engineering and Automotive Engineering for scientists, scholars, engineers and students from the universities, technologists, entrepreneurs and policy makers all around the World. Thus, the IMSMATEC 2019 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that you can join us in the IMSMATEC 2019 with new insights. We look forward to welcoming you to Cappadocia, where is a fascinating nature wonder in Turkey.

Important Notice: **"The official presentation language of the IMSMATEC is English or Turkish."**
