AUTHORS' INSTRUCTIONS

PAPER SUBMISSION

Authors are requested to submit their papers in compliance with the following instructions to facilitate reading and selection by the SERES Technical Committee, as well as subsequent publication of the selected works in CONGRESS WEB SITE.

· Papers submitted shall be **original works** which **have not been previously published or presented.**

· It will be considered an advantage if authors highlight, in their papers, **the novel contribution** that they are making at SERES.

· Papers shall be submitted in **English**, the official languages of the congress.

· There shall be **no references to trade names**. If unavoidable, references shall be kept to a minimum.

· **Relevant literature references** or bibliography shall be included.

· Authors authorise SERES to publish and reproduce the selected works, which will be handed out by the Organization to delegates when the meeting starts.

Papers shall include the following information
a) Full title of the paper
b) Name of the author(s), company or institutional affiliation, country or countries
Alpagut Kara[1], Gülşen Güngör[2]
 [1]Institution 1, [2]Institution 2
c) 4 keywords
d) Abstract or synopsis of the paper
e)Corresponding author e-mail address, telephone and fax numbers
f)References:

1. Hutchings I., Ink-jet printing for the decoration of ceramic tiles: technology and opportunities. Proceedings of the 12th World Congress on Ceramic Tile Quality, QUALICER 2010, Castellón (Spain), 1-16.
